Whenever you use this website, a variety of personal information will be collected. Personal data comprises data that can be used to personally identify you. This Data Protection Declaration explains which data we collect as well as the purposes we use this data for. It also explains how, and for which purpose the information is collected.

We herewith advise you that the transmission of data via the Internet (i.e., through e-mail communications) may be prone to security gaps. It is not possible to completely protect data against third-party access.

Information about the responsible party (referred to as the “controller” in the GDPR)

The data processing controller on this website is:

Audiocrowd GmbH
Alexander-Klein-Str. 1
14469 Potsdam

Phone: 0331 95149322
E-mail: info@audiocrowd.net

The controller is the natural person or legal entity that single-handedly or jointly with others makes decisions as to the purposes of and resources for the processing of personal data (e.g., names, e-mail addresses, etc.).

Storage duration

Unless a more specific storage period has been specified in this privacy policy, your personal data will remain with us until the purpose for which it was collected no longer applies. If you assert a justified request for deletion or revoke your consent to data processing, your data will be deleted, unless we have other legally permissible reasons for storing your personal data (e.g., tax or commercial law retention periods); in the latter case, the deletion will take place after these reasons cease to apply.

General information on the legal basis for the data processing on this website

If you have consented to data processing, we process your personal data on the basis of Art. 6(1)(a) GDPR or Art. 9 (2)(a) GDPR, if special categories of data are processed according to Art. 9 (1) DSGVO. In the case of explicit consent to the transfer of personal data to third countries, the data processing is also based on Art. 49 (1)(a) GDPR. The consent can be revoked at any time. If your data is required for the fulfillment of a contract or for the implementation of pre-contractual measures, we process your data on the basis of Art. 6(1)(b) GDPR. Furthermore, if your data is required for the fulfillment of a legal obligation, we process it on the basis of Art. 6(1)(c) GDPR. Furthermore, the data processing may be carried out on the basis of our legitimate interest according to Art. 6(1)(f) GDPR. Information on the relevant legal basis in each individual case is provided in the following paragraphs of this privacy policy.

Information on data transfer to the USA and other non-EU countries

Among other things, we use tools of companies domiciled in the United States or other from a data protection perspective non-secure non-EU countries. If these tools are active, your personal data may

potentially be transferred to these non-EU countries and may be processed there. We must point out that in these countries, a data protection level that is comparable to that in the EU cannot be guaranteed. For instance, U.S. enterprises are under a mandate to release personal data to the security agencies and you as the data subject do not have any litigation options to defend yourself in court. Hence, it cannot be ruled out that U.S. agencies (e.g., the Secret Service) may process, analyze, and permanently archive your personal data for surveillance purposes. We have no control over these processing activities.

Recipients of personal data

In the scope of our business activities, we cooperate with various external parties. In some cases, this also requires the transfer of personal data to these external parties. We only disclose personal data to external parties if this is required as part of the fulfillment of a contract, if we are legally obligated to do so (e.g., disclosure of data to tax authorities), if we have a legitimate interest in the disclosure pursuant to Art. 6 (1)(f) GDPR, or if another legal basis permits the disclosure of this data. When using processors, we only disclose personal data of our customers on the basis of a valid contract on data processing. In the case of joint processing, a joint processing agreement is concluded.

Revocation of your consent to the processing of data

A wide range of data processing transactions are possible only subject to your express consent. You can also revoke at any time any consent you have already given us. This shall be without prejudice to the lawfulness of any data collection that occurred prior to your revocation.

Right to object to the collection of data in special cases; right to object to direct advertising (Art. 21 GDPR)

IN THE EVENT THAT DATA ARE PROCESSED ON THE BASIS OF ART. 6(1)(E) OR (F) GDPR, YOU HAVE THE RIGHT TO AT ANY TIME OBJECT TO THE PROCESSING OF YOUR PERSONAL DATA BASED ON GROUNDS ARISING FROM YOUR UNIQUE SITUATION. THIS ALSO APPLIES TO ANY PROFILING BASED ON THESE PROVISIONS. TO DETERMINE THE LEGAL BASIS, ON WHICH ANY PROCESSING OF DATA IS BASED, PLEASE CONSULT THIS DATA PROTECTION DECLARATION. IF YOU LOG AN OBJECTION, WE WILL NO LONGER PROCESS YOUR AFFECTED PERSONAL DATA, UNLESS WE ARE IN A POSITION TO PRESENT COMPELLING PROTECTION WORTHY GROUNDS FOR THE PROCESSING OF YOUR DATA, THAT OUTWEIGH YOUR INTERESTS, RIGHTS AND FREEDOMS OR IF THE PURPOSE OF THE PROCESSING IS THE CLAIMING, EXERCISING OR DEFENCE OF LEGAL ENTITLEMENTS (OBJECTION PURSUANT TO ART. 21(1) GDPR).

IF YOUR PERSONAL DATA IS BEING PROCESSED IN ORDER TO ENGAGE IN DIRECT ADVERTISING, YOU HAVE THE RIGHT TO OBJECT TO THE PROCESSING OF YOUR AFFECTED PERSONAL DATA

FOR THE PURPOSES OF SUCH ADVERTISING AT ANY TIME. THIS ALSO APPLIES TO PROFILING TO THE EXTENT THAT IT IS AFFILIATED WITH SUCH DIRECT ADVERTISING. IF YOU OBJECT, YOUR PERSONAL DATA WILL SUBSEQUENTLY NO LONGER BE USED FOR DIRECT ADVERTISING PURPOSES (OBJECTION PURSUANT TO ART. 21(2) GDPR).

Right to log a complaint with the competent supervisory agency

In the event of violations of the GDPR, data subjects are entitled to log a complaint with a supervisory agency, in particular in the member state where they usually maintain their domicile, place of work or at the place where the alleged violation occurred. The right to log a complaint is in effect regardless of any other administrative or court proceedings available as legal recourses.

Right to data portability

You have the right to have data that we process automatically on the basis of your consent or in fulfillment of a contract handed over to you or to a third party in a common, machine-readable format. If you should demand the direct transfer of the data to another controller, this will be done only if it is technically feasible.

Information about, rectification and eradication of data

Within the scope of the applicable statutory provisions, you have the right to demand information about your archived personal data, their source and recipients as well as the purpose of the processing of your data at any time. You may also have a right to have your data rectified or eradicated. If you have questions about this subject matter or any other questions about personal data, please do not hesitate to contact us at any time.

Right to demand processing restrictions

You have the right to demand the imposition of restrictions as far as the processing of your personal data is concerned. To do so, you may contact us at any time. The right to demand restriction of processing applies in the following cases:

- In the event that you should dispute the correctness of your data archived by us, we will usually need some time to verify this claim. During the time that this investigation is ongoing, you have the right to demand that we restrict the processing of your personal data.
- If the processing of your personal data was/is conducted in an unlawful manner, you have the option to demand the restriction of the processing of your data instead of demanding the eradication of this data.
- If we do not need your personal data any longer and you need it to exercise, defend or claim legal

entitlements, you have the right to demand the restriction of the processing of your personal data instead of its eradication.

- If you have raised an objection pursuant to Art. 21(1) GDPR, your rights and our rights will have to be weighed against each other. As long as it has not been determined whose interests prevail, you have the right to demand a restriction of the processing of your personal data.

If you have restricted the processing of your personal data, these data – with the exception of their archiving – may be processed only subject to your consent or to claim, exercise or defend legal entitlements or to protect the rights of other natural persons or legal entities or for important public interest reasons cited by the European Union or a member state of the EU.

SSL and/or TLS encryption

For security reasons and to protect the transmission of confidential content, such as purchase orders or inquiries you submit to us as the website operator, this website uses either an SSL or a TLS encryption program. You can recognize an encrypted connection by checking whether the address line of the browser switches from “http://” to “https://” and also by the appearance of the lock icon in the browser line.

If the SSL or TLS encryption is activated, data you transmit to us cannot be read by third parties.

Encrypted payment transactions on this website

If you are under an obligation to share your payment information (e.g. account number if you give us the authority to debit your bank account) with us after you have entered into a fee-based contract with us, this information is required to process payments.

Payment transactions using common modes of paying (Visa/MasterCard, debit to your bank account) are processed exclusively via encrypted SSL or TLS connections. You can recognize an encrypted connection by checking whether the address line of the browser switches from “http://” to “https://” and also by the appearance of the lock icon in the browser line.

If the communication with us is encrypted, third parties will not be able to read the payment information you share with us.

Rejection of unsolicited e-mails

We herewith object to the use of contact information published in conjunction with the mandatory information to be provided in our Site Notice to send us promotional and information material that we have not expressly requested. The operators of this website and its pages reserve the express right to take legal action in the

event of the unsolicited sending of promotional information, for instance via SPAM messages.

Cookies

Our websites and pages use what the industry refers to as “cookies.” Cookies are small data packages that do not cause any damage to your device. They are either stored temporarily for the duration of a session (session cookies) or they are permanently archived on your device (permanent cookies). Session cookies are automatically deleted once you terminate your visit. Permanent cookies remain archived on your device until you actively delete them, or they are automatically eradicated by your web browser.

Cookies can be issued by us (first-party cookies) or by third-party companies (so-called third-party cookies). Third-party cookies enable the integration of certain services of third-party companies into websites (e.g., cookies for handling payment services).

Cookies have a variety of functions. Many cookies are technically essential since certain website functions would not work in the absence of these cookies (e.g., the shopping cart function or the display of videos). Other cookies may be used to analyze user behavior or for promotional purposes.

Cookies, which are required for the performance of electronic communication transactions, for the provision of certain functions you want to use (e.g., for the shopping cart function) or those that are necessary for the optimization (required cookies) of the website (e.g., cookies that provide measurable insights into the web audience), shall be stored on the basis of Art. 6(1)(f) GDPR, unless a different legal basis is cited. The operator of the website has a legitimate interest in the storage of required cookies to ensure the technically error-free and optimized provision of the operator’s services. If your consent to the storage of the cookies and similar recognition technologies has been requested, the processing occurs exclusively on the basis of the consent obtained (Art. 6(1)(a) GDPR and § 25 (1) TTDSG); this consent may be revoked at any time.

You have the option to set up your browser in such a manner that you will be notified any time cookies are placed and to permit the acceptance of cookies only in specific cases. You may also exclude the acceptance of cookies in certain cases or in general or activate the delete-function for the automatic eradication of cookies when the browser closes. If cookies are deactivated, the functions of this website may be limited.

Which cookies and services are used on this website can be found in this privacy policy.

The data collected in this way is stored until you request us to delete it, delete the Cookiebot cookie itself or the purpose for which the data is stored no longer applies. Mandatory legal storage obligations remain unaffected.

Cookiebot is used to obtain the legally required consent for the use of cookies. The legal basis for this is Art. 6(1)(c) GDPR.

The processing of these data is based on Art. 6(1)(b) GDPR, if your request is related to the execution of a

contract or if it is necessary to carry out pre-contractual measures. In all other cases the processing is based on our legitimate interest in the effective processing of the requests addressed to us (Art. 6(1)(f) GDPR) or on your agreement (Art. 6(1)(a) GDPR) if this has been requested; the consent can be revoked at any time.

The information you have entered into the contact form shall remain with us until you ask us to eradicate the data, revoke your consent to the archiving of data or if the purpose for which the information is being archived no longer exists (e.g., after we have concluded our response to your inquiry). This shall be without prejudice to any mandatory legal provisions, in particular retention periods.

Request by e-mail, telephone, or fax

If you contact us by e-mail, telephone or fax, your request, including all resulting personal data (name, request) will be stored and processed by us for the purpose of processing your request. We do not pass these data on without your consent.

6. Newsletter

Newsletter data

If you would like to receive the newsletter offered on the website, we require an e-mail address from you as well as information that allows us to verify that you are the owner of the e-mail address provided and that you agree to receive the newsletter. Further data is not collected or only on a voluntary basis. For the handling of the newsletter, we use newsletter service providers, which are described below.

Mailchimp

This website uses the services of Mailchimp to send out its newsletters. The provider is the Rocket Science Group LLC, 675 Ponce De Leon Ave NE, Suite 5000, Atlanta, GA 30308, USA.

Among other things, Mailchimp is a service that can be deployed to organize and analyze the sending of newsletters. Whenever you enter data for the purpose of subscribing to a newsletter (e.g. your e-mail address), the information is stored on Mailchimp servers in the United States.

With the assistance of the Mailchimp tool, we can analyze the performance of our newsletter campaigns. If you open an e-mail that has been sent through the Mailchimp tool, a file that has been integrated into the e-mail (a so-called web-beacon) connects to Mailchimp's servers in the United States. As a result, it can be determined whether a newsletter message has been opened and which links the recipient possibly clicked on. Technical information is also recorded at that time (e.g. the time of access, the IP address, type of browser and operating system). This information cannot be allocated to the respective newsletter recipient. Their sole purpose is the performance of statistical analyses of newsletter campaigns. The results of such analyses can be used to tailor future newsletters to the interests of their recipients more effectively.

If you do not want to permit an analysis by Mailchimp, you must unsubscribe from the newsletter. We provide a link for you to do this in every newsletter message.

The data is processed based on your consent (Art. 6(1)(a) GDPR). You may revoke any consent you have given at any time by unsubscribing from the newsletter. This shall be without prejudice to the lawfulness of any data processing transactions that have taken place prior to your revocation.

The data deposited with us for the purpose of subscribing to the newsletter will be stored by us until you unsubscribe from the newsletter or the newsletter service provider and deleted from the newsletter distribution list after you unsubscribe from the newsletter. Data stored for other purposes with us remain unaffected.

Data transmission to the US is based on the Standard Contractual Clauses (SCC) of the European Commission. Details can be found here: <https://mailchimp.com/eu-us-data-transfer-statement/> and https://mailchimp.com/legal/data-processing-addendum/#AnnexC-StandardContractual_Clauses.

After you unsubscribe from the newsletter distribution list, your e-mail address may be stored by us or the newsletter service provider in a blacklist, if such action is necessary to prevent future mailings. The data from the blacklist is used only for this purpose and not merged with other data. This serves both your interest and our interest in complying with the legal requirements when sending newsletters (legitimate interest within the meaning of Art. 6(1)(f) GDPR). The storage in the blacklist is indefinite. **You may object to the storage if your interests outweigh our legitimate interest.**

For more details, please consult the Data Privacy Policies of Mailchimp at:
<https://mailchimp.com/legal/terms/>.

7. Plug-ins and Tools

YouTube with expanded data protection integration

Our website embeds videos of the website YouTube. The website operator is Google Ireland Limited (“Google”), Gordon House, Barrow Street, Dublin 4, Ireland.

We use YouTube in the expanded data protection mode. According to YouTube, this mode ensures that YouTube does not store any information about visitors to this website before they watch the video. Nevertheless, this does not necessarily mean that the sharing of data with YouTube partners can be ruled out as a result of the expanded data protection mode. For instance, regardless of whether you are watching a video, YouTube will always establish a connection with the Google DoubleClick network.

As soon as you start to play a YouTube video on this website, a connection to YouTube’s servers will be established. As a result, the YouTube server will be notified, which of our pages you have visited. If you are logged into your YouTube account while you visit our site, you enable YouTube to directly allocate your browsing patterns to your personal profile. You have the option to prevent this by logging out of your YouTube account.

8. Online marketing and partner programs

Affiliate Programs on this website

We participate in affiliate partner programs. In conjunction with affiliate partner programs, ads of businesses (advertisers) are placed on websites of other enterprises within the affiliate partner network (publisher). If you click on one of these affiliate ads, you will be transferred to the promoted offer. If you should subsequently engage in a certain transaction (conversion), the publisher will receive a respective commission in exchange for the service. To be able to compute the commission amount, the affiliate network operator must be in a position to track the ad that has resulted in you seeing the offer and in you completing the predefined transaction. To make this possible, cookies or comparable recognition technologies are deployed (e.g., device fingerprinting).

Data is stored and analyzed on the basis of Art. 6(1)(f) GDPR. The website operator has a legitimate interest in the correct computation of its affiliate compensation. If appropriate consent has been obtained, the processing is carried out exclusively on the basis of Art. 6(1)(a) GDPR and § 25 (1) TTDSG, insofar the consent includes the storage of cookies or the access to information in the user's end device (e.g., device fingerprinting) within the meaning of the TTDSG.
